Available 15 to 20 hours per week part-time during the school year, and full-time hours through the summer.

SUMMARY

Reliable high school student with hands-on experience in fast-paced, team-based environments. Comfortable standing for full shifts, following safety and sanitation procedures, and pitching in wherever the team needs support. Friendly with customers, quick to learn new routines, and known for showing up on time and ready to work. Seeking a retail, food service, or general labor role with room to grow alongside a strong team.

EXPERIENCE

Volunteer Animal Care Assistant

Jul 2025 to Oct 2025

KW Humane Society, Kitchener, ON

- Showed up on time for every scheduled shift and worked alongside staff to keep daily operations running smoothly.
- Cleaned and sanitized enclosures for 5 to 10 animals each shift, following strict hygiene and safety protocols.
- Greeted and assisted visitors with questions about animals and adoption, providing friendly customer service.
- Helped with feeding, handling, and care routines under staff supervision in a busy public-facing facility.
- Adapted quickly when priorities shifted during the day and communicated clearly with team members.

Soil Tester & Lab Assistant

Apr 2024 to Present

University of Waterloo, Kitchener, ON

- Operate testing equipment safely and follow written procedures step-by-step without supervision.
- Keep the workspace clean, organized, and ready for the next shift; handle materials and equipment carefully.
- Record information accurately and double-check work before passing it on to senior staff.
- Set up and pack down equipment as part of a small team, balancing speed with attention to detail.

Distribution Helper

Jun 2023 to Aug 2023

Martin Luther University College, Kitchener, ON

- Restocked inventory and organized supplies so staff could find what they needed quickly.
- Reorganized filing systems and supported daily operational tasks in a collaborative environment.

LEADERSHIP & ACTIVITIES

- **Grade 8 Orientation Leader:** Helped run orientation for incoming students, guided small groups through the school, answered questions, and made new students feel welcome on their first day.
- **Peer Tutor:** Tutored and mentored younger students, breaking down tricky topics into simple steps and building their confidence.
- **Public Speaking:** Presented in front of classes and groups; comfortable speaking clearly to unfamiliar audiences.
- **Food Handling Experience:** Hands-on practice with kitchen tasks and food preparation; familiar with basic hygiene and safe handling.
